**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner and I rely on my Sonic gigabit fiber internet service. It is affordable and reliable and ensures I remain connected to my clients. I used to have DSL through Sonic, and I'm grateful I had the option of working with such a good partner.

Please reject the petition by AT&T and USTelecom limiting unbundled network elements. It reduces competition and results in fewer options and higher costs. We need to maintain and expand the competition that ensures individuals and businesses receive the best technology and service.
